# From THE CHEF Daniel Connors

The golf season is in full swing and that means the club will be very busy and have many exciting events going on, Tuesday Night League, Marando Cup, Couples Twilight and Golf Outings along with many other events. This has got to be the hottest summer on record with several days in the 90 degree mark and very little rain, let's hope we get some relief soon.

As some of you may know I plan on retiring at the end of November of this year after 12 years at Pinnacle Country Club. We have sold our house in Bettendorf and will move twice, once in July to a rental house and again in November to Smyrna, Tennessee to our new home that is currently being built. It's a nice area and the winters are much milder than here in Iowa. I will truly miss my Pinnacle family and have loved working here and cooking for you and it will be hard to go. I believe the food service delivered to the members is much better than it was 12 years ago when I started here and it has been a pleasure serving you. I will miss you all..!!

This month you won't want to miss the Hawaiian Luau Night after Couples Twilight on July 14th featuring a whole roasted hog and authentic island cuisine, an all round great time, and I promise it will be magnificent. Even if you're not playing in the couple's tournament you are welcome to join the fun and have the Buffet also, I just ask that you please make reservations in advance so I know how many to prepare for.

On July 22nd we will have the annual Extravaganza with a cook out and many fun events for the whole family; it's our way of thanking all the members for the continued support of Pinnacle Country Club. We will have more information on the event in the near future.

The month of July is very busy with golf outings and banquet events, so if you plan on coming out please remember to make your reservations in advance, that way we are prepared and can deliver you fantastic food and the best service possible.

I wish everyone the Best, Bon Appetite!
