# From THE CHEF

I hope the New Year has been great for everyone. I know we have been very lucky with the winter weather thus far, and hopefully we have an early spring because it's got to get better soon.

Prime Rib Night will be on Friday the 3rd this month. Enjoy slowly roasted to perfection with the perfect blend of herbs and spices and served with au jus, horseradish sauce, and a house salad and your choice of side. So make your reservations and come enjoy, I guarantee you'll like it.

We will have Sweetheart Features on February 9th, 10th & 11th with some great entrées and desserts for Valentine's Week. Bring your sweetheart out and celebrate this special day in style, it will be a great time.

Pasta Night is on Thursday February 16th for your dining pleasure. Join us for all you can eat pasta custom prepared for you. Everyone continues to talk about the current lay out along with the new

selections, and it makes it go much smoother and faster for everyone. You don't want to miss this night!

We will also have fish features on Ash Wednesday and all Fridays throughout the Lenten season.

I'm open to any suggestions from you the club members, so that we can enhance your dining pleasure and experience. Also I would like to thank the loyal members who dine with us on a regular basis. It is truly appreciated and I love having creative features every week and it's a pleasure serving you because I love making guest happy with a great dining experience!

Thank you to all club members and staff for your continued support, this is a great place and it's a pleasure to be at your service as Executive Chef at Pinnacle.

Surprises can be good or bad. In our case of a broken pipe last month, we are seeing both. The frozen pipe broke in the back store room. It caused damage to both store rooms, the game room, and the back hallway. All affected drywall has been removed and replaced. The carpets have been removed, and it should be in by the end of the month. The good news of it all is a chance to update some areas. We are taking this opportunity

to put new carpet in the lounge, the entire hallway, the front entrance, the game room, the men's restroom, and the locker room. All of those areas will get a new color scheme and art work for the walls. The hallway is also getting some nice board and batten wood work done. It will be usable by March. Thanks for everyone's patience during this unforeseen process.
